

Pinacl Solutions

I confirm that I have dealt with Me & Him Removals since 2005, during which time they have assisted our company with our business moves. They provided a professional, sleek and focused service. Their work was a major factor in ensuring that our company was "ready for business" comes Monday morning.

I can confidently recommend Me & Him Removals as a solid and reliable service provider, and experts in their field.

We write to express our appreciation for your assistance with our recent office refurbishment. You came at short notice when we needed your services, and your staff worked hard and well to achieve good end results.

We would not hesitate to recommend your services as supplied – ie: removals, clearances, general portorage and furniture building.

Mr Barnett – residential customer

This is a rather belated note to thank you once again for coming to our rescue after Carters of Bangor let us down so badly on the day.

It would appear that he had double booked and was looking for an excuse not to do ours that morning.

Especial thanks go to Lee and his team for the sterling job they carried out – to have managed to get a removal van within 90 minutes of being left in the lurch by Carters was little short of miraculous!

I would like to thank all the men that helped me on 30th September when you delivered new specialist beds and mattresses to Ysbyty Glan Clwyd. Your assistance was not only greatly appreciated by me, but the hospital as a whole.

Justine & Richard Hughes – residential customers

Just a short note to say how pleased and impressed we were with your removal team. They arrived early; and were very polite, good humoured and considerate throughout the day.

As you are well aware, the whole house buying experience is not one to be enjoyed. However, your team provided the only pleasant aspect of the whole procedure.

We would have no hesitation in recommending your company to others.

Just had to write and thank you once again for coming to my aid in getting my sofa and chair over the balcony at my address yesterday. I have to congratulate your staff doing such a wonderful job (as the sofa was heavy). They were a wonderful team working together and their attitude to do the job was great to see. As I mentioned I have had many removal men, but I have never seen anyone of them tackle the job which faced your men with (I know it sounds stupid) such dedication. I did not even know their names. Should I have the occasion to move in the future, I will not hesitate to employ your company.

Norma Jones – residential customer

I feel I had to write to you to formally thank you for sending two such nice men as you did, to help me with my house move last Monday.

Nothing was too much trouble for them and they worked hard and very efficiently all day. At all times they were most polite and courteous and they made the whole move go very smoothly.

We used your company to move some furniture for us from Abergele to Rhyl on 06/02/07 and would just like to say how pleased we were with the service you provided. The lads were extremely efficient, courteous and treated our furniture with the utmost care. We will be recommending you to our friends and family. Thank you very much indeed.

I just wish to thank you very much for the efficient service that your two employees showed whilst removing my belongings last Saturday. I was very impressed. I would definitely recommend you in the future.
